Dear Students,

Namaskar, I hope you & your family, all will be in good position free from bad effects of COVID-19.

The whole world is going through worst phase of the modern age. Our Nation is also facing the same ugly situation. But with the grace of Almighty, Competent Leadership and Combined efforts of all the citizens of India, we all are much ahead of other nations to fight & control COVID-19. The whole Nation is off the track since 22 March, 2020. The Prime Minister has announced the further extension of Lockdown till 3rd, May, 2020 to maintain same edge and momentum of our war against COVID-19.

Taking into consideration, the changed circumstances, we too have to adopt the smart strategy, which should be more beneficial for our students and to the system. Immediately you all are supposed to submit your assignment. The submission of assignments is a mandatory and marks obtained in assignment carry 30 percent weightage in the final result. It is also an eligibility condition to appear in final term end examination. Presently we have already uploaded all the Assignments for all the subjects of all the semesters on IIMM website. All these Assignment are subjective (Pen & Paper basis), after writing the assignment, you are supposed to post it, whereas Postal Services are suspended for the time being.

IIMM has decided to offer another option to the students to submit online, the Multiple Choice (objectives type) assignment carrying 50 questions of same 30 percent weightage on all the subjects of all semesters on OMR sheet. The students have the option to adopt either subjective or objective assignment.

IIMM - Education wing shall do its best efforts to upload all the Multiple Choice Assignments on all subjects of all semesters, till 15, May, 2020 to put you all in comfortability position to continue your study.

All the students are requested to send the online assignments to:

nhqde.iimm@gmail.com/iimmedu@iimm.co.in by 15th June, 2020

With best wishes,

Sd/-

Malay C. Mazumdar
National President & Chairman-BOS

To,
All the PGDMM/PGDSCM & L students of IIMM
