INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF TRUSTEES OF INDIAN INSTITUTE OF MATERIALS MANAGEMENT

Report on the Audit of Financial Statements

OPINION

1. We have audited the accompanying Financial Statements of Indian Institute of Materials Management ("the Institute") which comprises of the Balance Sheet as at March 31, 2026, Income & Expenditure Account for the year then ended and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements gives a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the institute and surplus for the year ended on that date.

BASIS FOR OPINION

2. We conducted our audit in accordance with the Standards on Auditing (SAs) generally accepted in India. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the institute in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

3. We invite your attention to following matters in the notes to the financial statements:
4. (a) As stated in note no. 7 (a,b & c) of Schedule E, Inter branch and other balances including GST are subject to confirmation, reconciliation and consequential adjustments, if any;
(b) As stated in note no. 8 of Schedule E, 49 branches and headquarter are considered in consolidation of financials for the year under audit. Remaining 6 branches are not included in the consolidated financials.
(c) As stated in note no. 10, the Institute has received tax demands for various assessment years and preferred appeal against the respective orders.

(d) As stated in note no. 11 of Schedule E, the institute had received income tax refund (alongwith interest, if any) aggregating to Rs. 1,15,74,306/- (P.Y. Rs. 1,36,53,548/-) and the same has been adjusted against income Tax/ TDS paid on adhoc basis due to non-availability of branch wise details of TDS etc.

(e) The Institute has not prepared its financial statements in the format prescribed by the Institute of Chartered Accountants of India in Guidance note on Financial Statements of non-corporate entities. However, it is preparing separate set of financials for filing with Office of Charity Commissioner, Maharashtra State in the format prescribed by them.

Our opinion is not modified in respect of the above matters.

MANAGEMENT RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

5. The Board of Trustees of the Institute are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the institute in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the institute and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Board of Trustees is also responsible for overseeing the Institute's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

6. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Institute's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Institute to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
